PROFILE

Recent Computer Science graduate and aspiring Web Developer with strong technical skills in HTML, CSS, JavaScript, React.js and version control tools like Git and GitHub. Passionate about learning and adapting to new technologies, with a relentless drive to expand knowledge and deliver innovative solutions. Seeking opportunities to contribute to challenging projects while growing in a dynamic and technology-driven environment

EDUCATION

Bachelor of Computer Science PVP College, Pravaranagar SPPU	06/2021 – 06/2024 7.18 CGPA
HSC Shri Ganesh Jr College	06/2019 – 07/2021 70.33%
SSC Sainath Vidyalaya, shirdi	06/2018 – 03/2019 73.22%

SKILLS

- Programming Languages: Java, JavaScript
 - Web Development: HTML, CSS, Bootstrap, React.js, Responsive Web Design
 - Version Control: Git, GitHub, Git Workflow
- Tools & Platforms: Visual Studio Code, Eclipse

PROJECTS

Hotel Management System

Technologies Used: Java, JSP, HTML, CSS, MySQL, PostgreSQL Developed a Hotel Management System to automate hotel operations like booking, check-in/check-out, and room management. Enabled CRUD (Create, Read, Update, Delete) operations through a dynamic web interface using JSP and MySQL. Integrated PostgreSQL database for storing user data and booking information. Utilized HTML, CSS, and JavaScript to create a user-friendly and responsive front-end interface. Handled back-end development using Java to process and manage requests efficiently. Demonstrated proficiency in integrating front-end and back-end technologies to build a fully functional and seamless application.

Myntra Clone (E-commerce Web Application)

Implemented a responsive web design using HTML, CSS, and JavaScript to ensure the platform is mobile-friendly and provides an optimal user experience across various devices. Built the front-end using React.js for creating dynamic, reusable UI components and to enable a seamless single-page application (SPA) experience

STRENGTHS

- Team Collaboration : Effectively worked with cross-functional teams to deliver project milestones.
- Time Management : Consistently met deadlines while managing multiple responsibilities.
- Adaptability : Quick learner with the ability to adapt to new tools and technologies.
