PROFESSIONAL SUMMARY

Results-driven Freelance Content Writer, SEO Expert, and Web Developer with over 6 years of experience specializing in the U.S. market. Expert in crafting high-authority, SEO-optimized articles that drive organic traffic and improve search engine rankings, while also designing engaging WordPress websites and dynamic video content. Proven track record of delivering high-quality digital content for international clients, combining technical precision with creative storytelling.

CORE COMPETENCIES

- **SEO Strategy:** On-page optimization, keyword research, and competitor analysis.
- **Content Creation & Management:** Long-form articles, technical writing, blog post development, and end-to-end client blog management with regular publishing schedules.
- **Web Development:** Custom WordPress website creation from scratch and advanced page building using Elementor.
- **Video & Animation:** High-retention video editing using CapCut Pro and Filmora, alongside engaging whiteboard animations via VideoScribe.
- **Digital PR:** Strategic outreach and pitch development for off-page SEO and brand building.
- **Digital Tools:** Expertise in SEO suites, Google Analytics, and content management systems.
- **International Relations:** Extensive experience collaborating with USA-based clients.
- **Analytical Writing:** Ability to translate complex data into engaging, readable content.

PROFESSIONAL EXPERIENCE

Freelance SEO Expert, Content Writer & Web Developer

USA-Based Client Portfolio | 2021 - 2024

- **Digital PR & Outreach:** Successfully pitched and secured high-authority backlinks and media placements for clients across platforms like HARO, Bottleneck, and other premier networks to drive off-page SEO growth.
- **SEO Content Development:** Authored and optimized high-ranking articles tailored for search engine algorithms and user intent.
- **WordPress Management:** Developed responsive WordPress websites from scratch using Elementor, and actively managed client blogs by consistently publishing and formatting optimized content.

- **Multimedia Production:** Edited high-quality videos using CapCut Pro and Filmora, and produced whiteboard animations in VideoScribe to enhance digital storytelling and user engagement across various niches, including travel and narrative content.
- **Keyword Optimization:** Conducted deep-dive keyword research to identify high-volume, low-competition opportunities for international brands.
- **Technical Writing:** Leveraged an engineering background to produce accurate and insightful technical documentation and articles.
- **Performance Tracking:** Monitored content performance and adjusted strategies to ensure consistent growth in organic reach.
- **Cross-Border Collaboration:** Managed end-to-end content lifecycles for diverse clients across the United States.

TECHNICAL SKILLS

- **SEO & Analytics:** Google Search Console, Google Analytics, Ahrefs, SEMrush.
- **Web Development:** WordPress, Elementor, Content Management Systems (CMS).
- **Video Editing & Animation:** CapCut Pro, Filmora, VideoScribe, YouTube Studio, 4K Video Production.
- **Design & Media:** Adobe Express Pro.
- **Data Management:** Google Earth, MapInfo, MS Excel.
